Guardian 1 Name _____

Guardian 2 Name _____

**** PARENT WORKER **** Parent support of our swim team families is vital to the success of the team overall and our swimmers individually. The intent of the Beulah Stingray Parent Worker Policy is to emphasize how important it is that we all work together. **Our team requires a minimum of one parent worker per family for ALL home meets and at least 1 away meet.** We will do our very best not to require more than one worker from each family for swim meets.

Home meets typically require more workers from our team than away meets. Please indicate below the areas that you are interested in working. Place an "X" in the areas you and your spouse are willing to work. If no indication is made you will be randomly assigned various tasks. Training is available for all areas. Each parent should mark a minimum of two (2) different jobs you are willing to work during swim meets.

If you are assigned and cannot fulfill your duty find a replacement and notify the person making the schedule of your change. Failure to do this can result in one of the following (1) Being fined \$25 per meet. (2) your child may not be able to compete in future meets or (3) The team will not pay your child's Champ Fees
